Discussion Questions

- ★ *What were some things Dr. Carson's mother established or taught her sons in her home that led to their success?*
- ★ *What difference did the home environment, created by his mother, make in Dr. Carson's life despite the obstacles he and his family faced?*
- ★ *In our own homes, how do you think we can inspire our kids to shift from seeking unanimity of thought and speech, as Dr. Carson says, to showing respect towards those who disagree with us?*
- ★ *In your own words, explain Dr. Carson's comments on how society encourages winning more than intelligence and problem solving. In what ways do you think this is harmful to our kids and society in general?*
- ★ *What did Dr. Carson identify as the reason Rome fell?*
- ★ *How are our homes a nursery for the morality of the whole nation?*
